

Life Group Notes – Sunday 5th May
‘Foundations of Generosity’

Read Genesis 1:27-31

- What does this passage tell us about God's generosity to us?
- How do you think mankind has responded to the generous gift of the world that He has given us?
- What do you think our response should be?

Read John 3:16-17

- Here we read about God's generous gift of Jesus to us. Ask a couple of people to share their experience of when they made the decision to accept Jesus into their lives.
- Is that precious gift still centre of your life today?

Read Romans 5:5

- Here we read about God's generous gift of the Holy Spirit to us. Ask a couple of people to share their experience of when they invited the Holy Spirit into their hearts.
- From your experience how does the gift of the Holy Spirit give us a sense of 'God's love being poured out into our hearts'?
- What difficulties might we face in accepting the gift of the Holy Spirit?

Read I Chronicles 29:14-16

- How does God show His generosity through us?
- What part do we need to play in enabling the generosity of God?
- How important is it to accept the generosity of God shown to us through the gifts and service of others?

PRAY:

That we will recognise that God's generosity for us flows out of His great love for us and has no ulterior motive or conditions. That we will be able to accept God's generosity in whatever form it takes, not letting pride, doubt or fear get in the way of receiving all that He has for us.

For others that we know who need to accept the gift of Jesus.
