

Sermon Notes 29th September

Let the Lion Loose: Releasing the power of the Bible today

DISCUSSION QUESTIONS

Introduction: Have you experienced the Bible's transforming effect personally, or have you heard stories of others who have?

Scene 1: BACKSTAGE

- How has the Bible been marginalised in our churches and our own lives? What influences cause this to happen?
- What do you make of the claim that our culture is becoming more open to the Bible? What might this mean for church and mission?

Scene 2: CENTRESTAGE

- What would it look like for the Bible to be centre-stage in our own lives and families? How can we actively recover our confidence in the Bible? What might this mean practically?

Scene 3: UPSTAGE

- Imagine the UK revived by the Word of God: what would that look/feel like? What initiatives can we take to head in that direction by faith?
-

PRAY: for a rediscovery of the power of the Bible in our lives and in our nation
