

Life Group Notes – Sunday 26th January
Jesus calls His first disciples

Read Luke 5:1-11

- Why do you think Jesus chose to use Simon's boat?
- How do you think Simon felt when Jesus chose his boat?

Simon used his boat to serve God (v3)

- What do you have that you could offer in service to Him?
- What prevents us from always offering what we have?

Jesus asked Simon to fish in the daytime when there was no hope of catching anything (v4)

- Why did Simon obey Jesus when His instructions made no sense?
- How do we feel when we're called to do something illogical for Jesus?

Simon's obedience led to him witnessing a miracle (v5-10a)

- Why do you think Jesus provided such an abundance of fish?
- What impact did the miracle have on Simon?
- Share any experiences you have had of being miraculously blessed and the impact this had on you

Jesus called Simon to leave his boat behind to follow Him. (v10b-11)

- How do you think Simon felt about leaving his boat behind?
- Has God ever asked you to lay something down to follow Him?

PRAY

Ask God what He is asking you to take up or lay down in service to Him today.

Pray for one another that each of you will:

- Hear God's call to serve
- Step out in obedience (act on faith not feelings)
