**Nehemiah and the Commitment to Rebuild**

**Nehemiah chapters 2 and 3**

**Life Group Questions**

1. From chapter 2, what do you think it was about Nehemiah and his plan that enabled him to stir up the Jews to rebuild the wall?
2. Think of a time when you felt most motivated and encouraged in your Christian life? Why was this? Share experiences with the Group. Do you find similar points to how you answered question 1?
3. Have you been involved in a church project or in a team of some kind? What did you learn from this experience of working together with other people? What were the good points? What could have been done better?
4. During this time of limited church activities, and contact with others, how can we retain and refresh our Christian commitment? What have people in the group found as particular challenges? What have you found helpful?
